

Gambia Horse and Donkey Trust

OUR MISSION
The Gambia Horse and Donkey Trust was established to reduce rural poverty by increasing productivity of working horses and donkeys through animal welfare and management education.

With your help

We can achieve our goals by:

- Educating the farming community.
- Training Extension workers.
- Liaising with appropriate agricultural agencies.
- Providing hospital and mobile treatment facilities.
- Making use of voluntary expertise from abroad to provide specialist training e.g. farriery and harness making.

Please help us to continue this vital work for for the animals and their owners by making a donation TODAY!

If you can help in anyway or wish to learn more about our trust, please contact us:-
